

St Andrew's RC Primary School Newsletter

It has been another busy term here at St Andrew's Primary School with pupils and staff continuing to work extremely hard.

Please enjoy reading our update for this term and learning about some of the exciting activities we have been involved in.

Well done to all of the children who achieved certificates – you are role models to us all

St Andrew's Day

The pupils and staff thoroughly enjoyed St. Andrew's Day. It was a very busy day in school where we:

- Celebrated Mass with Father Allan;
- Participated in fun activities about the life and work of St. Andrew;
- Enjoyed a special lunch and
- P6 & P7 had a ceilidh

I would like to say a special thank you to Father Allan and all the staff for making this day so special for the children.

Scottish Performance

To end our St. Andrew's celebrations, children from Primary 6 & 7 presented their Scottish Performance with a mixture of poetry, dancing and songs. Well done boys and girls, you were brilliant!

A special thanks to Mrs Baird, Mrs Adams, Miss Gray, Mr Laird and Mrs Webster for making this possible.

Nativity

It was an absolute joy to watch our children from Primary 1-3 perform the Nativity. They were so confident and sang out with smiles on their faces. Well done everyone, you did a wonderful job of reminding us of the real meaning of Christmas!

I would like to extend a huge 'thank you' to all the staff in P1-P3 for supporting the children to make this happen.

Uniform

We are very proud of our school uniform at St. Andrew's and I am delighted to report that all children wear school uniform every day. Research on the benefits of school uniform suggest it adds value to our school ethos, supports safeguarding children from harm and avoids discrimination that can be caused by children not having access to particular items of expensive clothing.

However, we are aware that we are all living in challenging times at the moment and if you feel the uniform policy is adding to this, please speak with myself or the school management team who can provide supports.

As we move towards the winter term, it would be greatly appreciated if you could make sure your child wears a warm jacket each day. Outdoor learning is an important part of our curriculum and we would like to make sure the children are comfortable.

Achievements

It has been a real joy to celebrate the out of school achievements with the children this year. Not that it is a surprise to us, but we really do have such talented children in the school. For this reason, we will continue to make the last Friday of each month our 'Achievements Assembly'. If your child has participated in an activity out of school, please encourage them to bring in any certificates/trophies/medals to share. As a whole school community we will continue to celebrate their endeavours together.

Relationships – The St. Andrew's Way

During last session, we worked with pupils, parents and staff to refresh our Relationships policy. Our children have produced a video to show what this looks like in action.

Please click the below link to see our whole school approach to developing and strengthening our relationships:

Drop Off/Pick Up

To ensure the safety of all of our pupils, the following arrangements are in place for drop off and pick up at school:

Travelling by bus

Children arriving by bus will access the school through 'Bus Gate' in our P4-P7 playground. Arrival to school is supervised by a Support for Learning Assistant. Departure from school is supervised by SMT and class teachers.

This gate is used for children travelling by bus only.

Travelling by car

Arrival

We have a designated 'Drop Off' point at the front of our school. This is accessed by entering into Graeme High School. This space is to be used for drop off only and we ask that parents/carers do not park in this space.

Children will enter the school through the drop off gate which leads directly into the playground.

Alternatively, if parking on Oliver Road or Hawley Road we ask that:

P1-P3 – enter the school via Hawley Road into the infant playground

P4-P7 – enter the school via Forbes Road.

Departure

At the beginning of the school year, we will ask you complete an 'At Home' arrangements form. Teachers will adhere to the instructions you have given unless given written notice from a parent/carer.

If your child(ren) is to be collected from school, the following arrangements will be in place:

P1-P3 will exit via Hawley Road

P4-P7 will exit via Forbes Road

Children in P4-P7 who have younger siblings in P1-P3 will be allowed access to the infant playground to collect family members. These children will then be asked to leave the school grounds via Hawley Road.

Please be reminded that the Staff Car Park is for staff only. Blue Badge holders are eligible to park in the disabled spaces in the staff car park. However, please telephone the school office to make an appointment to see me before doing so.

It has come to my attention that at the beginning of the school day, a minority of parents are crossing the staff car park with children. This puts you and your child at risk as there are several blind spots when entering into the car park. Please use the path on the car park perimeter to ensure everyone is safe.

After crossing the car park, I am aware that people are using the gate, opposite the nursery entrance, to gain access the school playground. On frequent occasions this gate is left open which puts our youngest learners in the nursery at risk. This gate should not be opened unless by a member of staff. Instead, please follow allocated path to enter the through the entrance gates.

I appreciate your full support in this matter to ensure that all 400 children, staff and parents of our school are safe while on school grounds.

Parking

You will be aware that the roads outside of the school grounds become incredibly congested which increases the risk to our children when travelling to/from school safely.

For this reason, I strongly encourage you to use our suggested one-way system that was shared by our Parent Council and the Management Team when your child started school. I have included an annotated diagram below as a reminder of the one-way system.

We do understand that this is a change, for some, however if we all work together we can keep our children safe and make journeys to/from school more comfortable for everyone.

Recording of Absence

At St. Andrew's we value attendance. The impact of regular late coming or absence has a detrimental impact on your child's educational achievement. If you require support with getting your child to school please contact Mrs McQuade via the school office.

Please remember, if your child is absent from school, it is very important that you contact the school office before 9.30am to allow us to accurately record the absence.

Please also ensure that your child arrives on time for the start of the school day. Pupils arriving after the school bell at 9.00am, will be recorded as being late.

If you are finding it challenging to ensure your child maintains good attendance at school, please see the below link which has a range of supports:
